Fester
Dietterick

Dear Friend,

Since we have been corresponding, I thought that I would tell you a little about myself.

I am 59 years old, born May 4, 1940, in Kansas City, Kansas. Patton is my maiden name. I graduated from Grandview High School in 1958, and have a few collage credits. I am a divorced mother of three grown children; Theresa Ann 41, Debora Louise 39, Jeffery Wayne 36; two grown grandsons; Sean 22, who is married to Jessica, and Stephen 19, a freshman at Maple Woods Junior College, in Kansas City.

I have been retired from Western Electric/AT&T/Lucent Tech. since November of 1996. The manufacturing plant in Lee's Summit, Missouri where I worked shut down. Since I had 32 years, I was able to retire. I am currently working at a clerical job in a small insurance locally two days a week. It is so different from what I was use to in manufacturing, I love it. It gets me out of the house and a chance to talk to <u>real</u> people, instead of my dog!

Genealogy is my hobby, and I love it. I have been doing my family research since 1993. I have put two books together for my family. I didn't have them published, I just had them copied and put in a binder. One book is my grandmother's parent's family. The other book is my grandfather's parent's family. The grandparents are on my father's side of the family. So far I have got to the immigrant ancestor in all four lines but do not know how to go back farther. My brother was interested in genealogy, and was working on our family for a time. He got me interested and he quit. I guess he felt that I had more time to devote to it.

I own a little house on almost an acre of ground with lots of trees. I enjoy working in the yard and planting flowers. I have lots of flowerbeds around the yard. Recently I bought a new lawn tractor and still mow my own lawn, etc. Reading mysteries, crocheting, and working crossword puzzles are also hobbies of mine.
